## Class Action Settlement Insurance Policy

**Class Action Settlement Insurance (CASI)** is an innovative solution that allows a company facing a class action lawsuit (or a pending class action) to resolve it with confidence and financial certainty. With our highly customized CASI policies, companies can transfer the financial risk associated with a class action settlement to Berkshire Hathaway Specialty Insurance, so they can focus on the future.

### A HIGHLY CUSTOMIZED, COLLABORATIVE SOLUTION

Each CASI policy is tailored to the specific circumstances of a class action settlement and the financial aims of the insured business.

Created by Risk Settlements, CASI also gives you access to a team of experienced legal, insurance and risk mitigation specialists dedicated to helping companies resolve the intractable problems arising from litigation and settlements. The Risk Settlements team is available to discuss specific circumstances and provide access to:

- Knowledge and technical expertise in designing optimal settlement structures
- Innovative risk mitigation and risk transfer solutions for claims-made settlements
- Proprietary quantitative and qualitative risk analyses

*CASI is underwritten on the paper of Berkshire Hathaway's National Indemnity group of insurance companies, which hold financial strength ratings of A++ from AM Best and AA+ from Standard & Poor's.*

- Coverage is available for all consumer class actions—from fraud, mislabeling, product liability, to statutory damage claims (including the Telephone Consumer Protection Act)—and covers all valid claims made by class members under the settlement agreement
- Limits of up to \$25 million available — or higher upon request
- No deductible or self-insured retention

*Coverage is tailor-made to cover the uncertain financial payments arising out of a class action settlement.*
