

## Contractors Pollution Liability Policy Appetite Guide

BHSI's approach is to make comprehensive pollution coverage more accessible to our business partners by offering both traditional and innovative pollution products. In addition to industry standard monoline pollution policy forms, BHSI offers gradual pollution coverage as an endorsement to our primary general liability and umbrella forms. BHSI can also provide excess capacity over competitors' pollution products.

<b>MINIMUM PREMIUM:</b>	12K Minimum Premium
<b>LINES OF BUSINESS:</b>	Contractors Pollution Liability Policy - Practice or Project Specific
