Claims Excellence

At Berkshire Hathaway Specialty Insurance (BHSI), we know what claims excellence requires...and we have built our claims operation to deliver.

A LONG TERM, RELATIONSHIP FOCUS. We view every claim as an opportunity to strengthen our customer relationships and our industry reputation – whether by issuing advance payments, creatively mitigating a loss or bringing in best-in-class resources quickly.

FINANCIAL STRENGTH. Berkshire Hathaway's National Indemnity group of insurance companies hold financial strength ratings of A++ from AM Best and AA+ from Standard & Poor's, with \$458.3 billion in total admitted assets and \$279.4 billion in policyholder surplus.*

EXPERIENCE. Across the world our claims handling team has decades of experience. We have the knowledge and expertise to navigate and innovate to support customers through unprecedented events.

A COLLABORATIVE CULTURE. Our claims and underwriting groups work as one, guiding customers through loss scenarios before a claim occurs and uniting with the customer as a team when there is a claim, determining together the strategies we pursue and the resources we use.

COMMUNICATION. Our decision makers are readily accessible throughout the claims process. Communicating with customers and brokers is a priority every step of the way. Our senior managers are hands-on, actively engaged in creating a positive claims handling experience and achieving the best possible resolution for our customers.

Claims Service Standards

Our commitment to claims handling excellence – and transparency – is embodied in our clearly articulated Service Standards:

- All claims are acknowledged to the insured and/or broker with an email, providing a claim number and dedicated claims contact, within one business day of a claim being reported.
- Primary policyholders receive a phone call or email, establishing a rapport and laying the groundwork for our claims approach, within one business day of our receipt of a claim.
- All inquiries on claims receive a direct response from a member of our claims team within one business day of receipt of the inquiry.
- Issues or reservations about coverage are addressed directly in discussions with the insured, broker and other relevant parties. A concise follow-up communication explains our position in a clear, easily understandable fashion.
- We proactively keep brokers and policyholders advised and involved throughout third party settlement discussions.
