HOW TO ACTIVATE YOUR RISK MANAGEMENT BENEFITS

- Documenting The Service Plan: the first step is establishing approval on a project or service plan for the policy term.* We require that you, in collaboration with your broker, complete the attached Risk Management Service Plan Request form and describe the scope and cost of services. BHSI is available for a planning discussion on how we can support your goals.
- Once BHSI approves a Service Plan in writing, we can pay the vendor directly or reimburse you for paid expenses. Please refer to the Risk Management Service Plan Request form for all rules and required documentation.

PRIVACY

The work product provided to you by any consultant belongs to you. It is not provided to us, however we would like the opportunity to hear from you about the impact and benefits of the sponsored services.
