PRODUCT.[®]

BHSI is committed to excellence in claims handling, and brings skill, efficiency, and transparency to all aspects of the claims process. Our clearly articulated service standards set our bar consistently high on everything from acknowledgement of claims, to communication throughout the life of a loss – and ensure no surprises.

We harness the latest claims handling technology, but are well aware that claims handling at its core is about people: People helping people recover from a loss, a business disruption, or a lawsuit large or small. Consequently, we bring both skill and compassion to the process. We are highly experienced and readily accessible: All customers have direct access to our senior claims handling team.
